## Dear friend of the American Cancer Society of Puerto Rico,

The American Cancer Society of PR celebrates its annual GRAND GALA event called **The Chemistry of Love... 45 years of positive reactions**, on **Saturday, August 17, 2019**. We invite you to come together to set a course towards a cure for cancer.

In 2018, the GRAND GALA raised a gross income of \$571,274 while maintaining our expenses below 15.7%. Over the last 10 years, the event has successfully raised well over \$5.4M! These funds are used to help to sustain the operations of the Puerto Rico Hope Lodge, free lodging facility for cancer patients, provide programs and services to the community with or without cancer, and provide scholarships to students who survived cancer. We invite you to join us and become part of this exciting and rewarding evening by committing to the GRAND GALA as a corporate sponsor, hosting a table and/or attending with your family and friends.

Following is our full sponsorship package outlining the many options and benefits as you join us as part of this rewarding evening. Levels range from \$5,000 to \$50,000 and include exclusive named underwriting sponsorships. Please consider these options as part of your commitment to the American Cancer Society of PR.

We hope that you consider supporting our GRAND GALA. Inquiries, benefits and agreements may also be coordinated with Mabel Ramírez at 787.242.0996, or through email at [mabel.ramirez@cancer.org](mailto:mabel.ramirez@cancer.org).

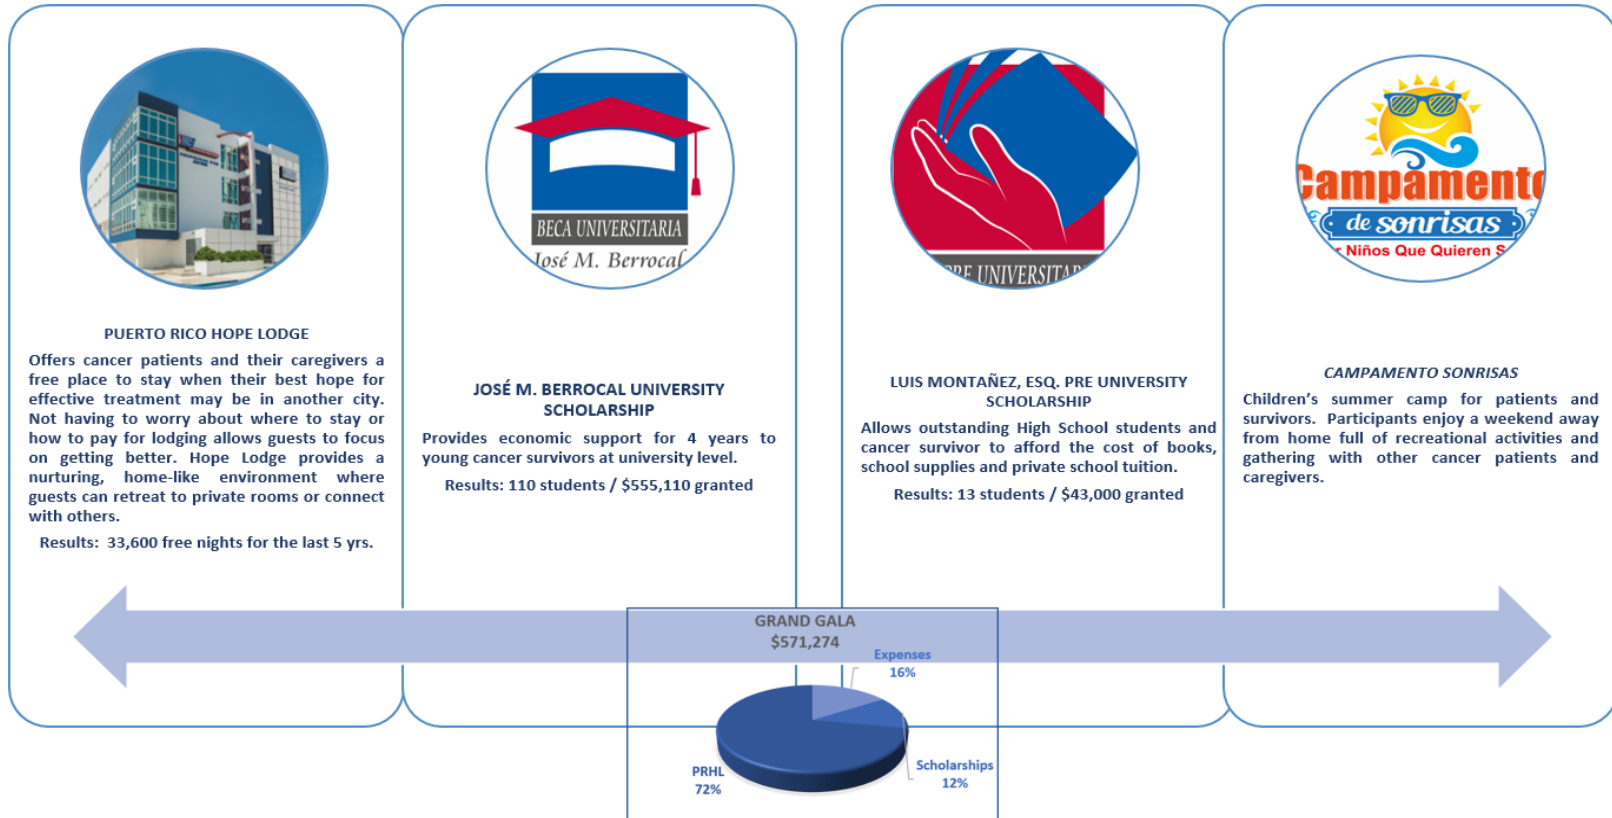

We look forward to seeing you at the GRAND GALA and truly appreciate your continued support to the American Cancer Society and its mission to free the world from cancer.

Sincerely,

Lillian Santos, Psy.D.  
Executive Vice President  
ACS of Puerto Rico, Inc.

José Quiñones, Eng.

All funds raised from the Grand Gala are invested in PR to support the continuation and strengthening of our programs on the Island.
